Dear Bob:

Here are two of the New 1800 Baud Basic cartridges and documentation for you to test. One for you and one to pass along to whoever you feel can give it the best test.

I need any comments you can give me at to operation or problems you find. For instance what are the differences from the 300 Baud Basic and any feelings you have as to these trade offs.

Feel free to call me at 800-848-6989. We are going to make a decision on whether to go as it is or make changes on March 16, so I will need you imput before then.

Regards,

Jim Mc Connell
